

## § 204.5

(5) The right of the debtor to request a review of the determination of indebtedness and, in the circumstances described in §204.7, to request an oral hearing from the Commission's designee; and

(6) The right of the debtor to enter into a written agreement with the agency to repay the debt in some other way.

(b) Claims for payment of travel advances and employee training expenses require notification prior to administrative offset as described in this section. Because no oral hearing is required, notice of the right to a hearing need not be included in the notification.

### § 204.5 Debtor's failure to respond.

If the debtor fails to respond to the notice described in §204.4(a) by the proposed effective date specified in the notice, the Commission may take further action under this section or under the Federal Claims Collection Standards (31 CFR 901.3). The commission may collect by administrative offset if the debtor:

### § 204.6 Agency review.

(a) To the extent that a debt owed has not been established by judicial or administrative order, a debtor may request a hearing concerning the existence or amount of the debt or the terms of repayment. With respect to debts established by a judicial or administrative order, a debtor may request a hearing concerning the payment or other discharge of the debt. A request to review a disputed debt must be submitted to the Commission official who provided notification within 30 calendar days of the receipt of the written notice described in §204.4(c).

## 17 CFR Ch. II (4-1-12 Edition)

(b) The Commission will provide a copy of the record to the debtor and advise him/her to furnish available evidence to support his or her position. Upon receipt of the evidence, the written record of indebtedness will be reviewed and the debtor will be informed of the results of that review.

(c) Pending the resolution of a dispute by the debtor, transactions in any of the debtor's accounts maintained by the Commission may be temporarily suspended. Depending on the type of transaction, the suspension could preclude its payment, removal, or transfer, as well as prevent the payment of interest or discount due thereon. Should the dispute be resolved in the debtor's favor, the suspension will be immediately lifted.

(d) During the review period, interest, penalties, and administrative costs will continue to accrue.

(ii) The debtor requests waiver of the indebtedness; and

(iii) The waiver determination rests on an issue of credibility or veracity; or

(2) The debtor requests reconsideration and the Commission's designee determines that the question of indebtedness cannot be resolved by reviewing the documentary evidence.

(b) In cases where an oral hearing is provided to the debtor, the Commission's designee will conduct the hearing, and provide the debtor with a written decision 30 days after the hearing.
